

Certificate of Conformity

This is to certify compliance of

Bondor InsulLiving and Insulroof System

Product Description

Bondor InsulLiving® and Insulroof System comprises of composite wall and roof panels designed to form the structural members of residential buildings.

Wall Panels: InsulWall® is a load bearing insulated wall panel, developed in conjunction with BlueScope Steel®.

Roof Panel:

SolarSpan® and InsulRoof® are insulated roof panel systems that combine roofing, insulation and ceiling, utilising non-combustible steel made to Australian Standards.
